

Help Stop Escaped Campfires

If campfires are allowed where you are going, please follow these steps to ensure a safe fire:

- ✓ Build campfire in an enclosed fire ring or pit
- ✓ Have a bucket of water and a shovel nearby
- ✓ Don't burn if its windy
- ✓ Have a 10 foot clearance around and above the campfire
- ✓ Never leave a campfire unattended
- ✓ Before leaving make sure the fire is **DEAD OUT!**
 - Drown the fire with water
 - Stir the fire
 - Drown the fire again
