

## **Be Cautious If Using Your Burn Barrel**

- ✓ **Call your local fire department to check if burning is currently allowed**
- ✓ **Clear all flammable materials at least 10' around your burn barrel**
- ✓ **Don't burn on a windy day**
- ✓ **Have water and a shovel nearby**
- ✓ **Cover barrel with 1/4" mesh screen to prevent embers from escaping**
- ✓ **Never leave a fire unattended**
